**DEDICATION**

*This play is dedicated to my mother, Kathy Frodahl, a true Proverbs 31 example. Thanks for the years of unconditional love and support.*

**STORY OF THE PLAY**

What would you do if you lost your job, lost your home, and were on the verge of filing Chapter 7 bankruptcy... yet everyone in your family was already planning to spend Christmas with you? If you're Melvin Maldaput, you call upon your real estate buddy to lend you a million-dollar home for the holidays. Melvin and his wife Miranda end up telling a string of lies to keep the ruse going. The last thing Melvin wants is his parents or in-laws to discover that he is a failure. Melvin's rich hillbilly neighbors, Prudy and Pruitt, even pretend to be his servants. But keeping a home perfect with visitors who scrape the fine china, clog the toilet, and bring a crazy cat is nearly impossible, and as the sibling rivalry heats up, the truth could be revealed. With the help Prudy and Pruitt, Melvin and Miranda learn the true meaning of Christmas. A debt needed to be paid, and two thousand years ago God sent his only Son to this world to pay the debt -- a debt that has been paid in full. About an hour.

**PRUITT PROUTY:** An old-timer who invented a seagull call that repels seagulls. The call is named the *Seagull Commander*. It made Pruitt and his wife Prudy overnight millionaires. But they are humble folk. Some people might confuse him with the Duck Dynasty fellers.

Scene 1

(AT RISE: An upscale home living room and dining room on December 23<sup>rd</sup>. MELVIN and MIRANDA MALDAPUT enter from the kitchen door with QUINN behind him.)

**MIRANDA:** That kitchen is bigger than our house!

**MELVIN:** Former house. And Miranda, our house wasn't that small.

**QUINN:** And here is the dining room.

**MIRANDA:** These hardwood floors are incredible!

**QUINN:** English white oak. The wood once served as the deck of the British clipper *HMS Endeavor*. The one Captain James Cook commanded when he explored Australia.

**MELVIN:** You're kidding?

**QUINN:** No, I'm not. This dining room table is carved from a single redwood tree. And all the china dates back to the Ming Dynasty.

**MELVIN:** Honey, it can easily seat everyone, even your mom and her personality.

**MIRANDA:** Melvin, I don't know. This place is huge. Everything looks so expensive!

**QUINN:** That's because they are. Melvin, buddy, don't use the chinaware. Don't even let anyone look at it.

**MELVIN:** Everything will be fine. It's just for two days.

**MIRANDA:** Melvin, no one is going to believe we live in this mansion. You couldn't find something less extravagant?

**MELVIN:** With my new job of course we can afford it.

**MIRANDA:** What new job?

**QUINN:** Oh, Melvin didn't tell you? He is the new keyboardist for the new Christian rock band, Gideon's Fleece.

**MIRANDA:** Serious? That's the cover story? A Christian rock band?

**MELVIN:** (*Proud.*) Pretty awesome right?

**MIRANDA:** Why a Christian band? At least make it believable.

**MELVIN:** Because no one in our family listens to religious tunes. Easier to convince.

**MIRANDA:** Quinn, are you sure this is all right?

**QUINN:** No, it's not all right. It's very wrong, but I owe your hubby here a favor.

**MELVIN:** A big favor.

**QUINN:** We don't need to discuss why, Melvin. But I think letting you use one of my client's home for Christmas makes us even.

**MELVIN:** I appreciate it, Quinn.

**QUINN:** Keep it clean and leave no trace when you are done.

**MIRANDA:** There isn't a chance that the homeowners will show up, is there?

**QUINN:** No, no, no, no, no. Not a chance. They are in Fiji for the holiday. Besides, they already have a new home in Seattle.

**MELVIN:** See? No worries. This will work.

**MIRANDA:** They just left all their belongings?

**QUINN:** They are selling the furnishings with the house. The lady of the estate said she is bored with these trifles.

**MELVIN:** Trifles?

**QUINN:** It's what she said.

**MELVIN:** Out of curiosity what is the value of this estate you're selling?

**QUINN:** Eight million. Give or take.

**MELVIN:** EIGHT MILLION!

**MIRANDA:** I'm gonna throw up.

**QUINN:** Not in here you're not.

**MELVIN:** She will be fine. The house will be fine. Probably better for us being here. You know homes that stay vacant too long can get stale.

**QUINN:** Melvin, just stop trying to convince me everything will be fine. It makes me nervous. Just get the key back to me day after Christmas. I've got shopping to do.

**MELVIN:** Thanks, Quinn.

**MIRANDA:** Why does Quinn owe you anyway?

**QUINN:** Somethings are best left unsaid.

**MIRANDA:** Okay?

*Chapter Seven Christmas*

- 7 -

**MELVIN:** It was a college thing...

**QUINN:** Melvin, not a word!

**MELVIN:** Lips are sealed. Merry Christmas!

**QUINN:** Consider us even.

*(QUINN exits SR.)*

**MIRANDA:** I don't like this, not at all.

**MELVIN:** Miranda. Please! Cut me some slack here.

**MIRANDA:** I don't understand why we can't just tell our parents. You got fired...

**MELVIN:** No, I was let go. I want that to be clear. Fired means failure, let go means the company is moving in a new direction. Not my fault.

**MIRANDA:** Our parents will understand.

**MELVIN:** No they won't, Miranda. No they won't. My parents said I never should have become a pianist. There is no money in the arts. I'll get a bunch of I-told-you-sos. And don't even get me going on your parents. Especially your mother!

**MIRANDA:** Melvin...

**MELVIN:** Then there is your sister. Her rich husband is running that pyramid scheme.

**MIRANDA:** It's not a pyramid scheme...well, not exactly. They sell weight loss products. A lot of them.

**MELVIN:** Yes, the Fat Be Gone shakes. There is something fishy about it.

**MIRANDA:** Don't be jealous. I'm happy for my sister...

**MELVIN:** Ha! Please don't act so self-righteous.

**MIRANDA:** No, really I am. She found someone...

**MELVIN:** Someone?

**MIRANDA:** You know?

**MELVIN:** Go ahead and say it, Miranda. Prosperous? You know the opposite of me.

**MIRANDA:** Melvin, that's not what I said.

**MELVIN:** You thought it though.

**MIRANDA:** No I didn't. Look, I know my internship at the television station isn't bringing in much money...

**MELVIN:** It doesn't pay at all.
