SYNOPSIS

When movie mogul Mandrake Masterfiend, producer of the schlockiest horror movies in history, invites some of Hollywood’s craziest characters to his birthday party, the evening’s a killer—literally. That’s because he also invites Rona LaMona, the most vicious gossip columnist in the business who writes weekly under the title “The Poisoned Pen,” to stir up the pot a bit. Though the actors, designers, and directors of some of Masterfiend’s greatest successes enthusiastically reenact some great scenes from such movies as “My Girlfriend Had Two Heads” and “A Teacher by Day, a Vampire by Night,” they suddenly find themselves playing suspects when Rona bites off a little more than she can chew of her poisoned pen and dies.

Luckily the actress who portrays “Sabrina Slade—Girl Detective” on a weekly television show is on hand to take charge. Sabrina interviews the suspects and begins to gather evidence but isn’t quick enough to stop the killer from killing a second, then a third time!

There’s nonstop action and laughs before Sabrina tricks the killer so truth, justice and the American way can prevail!

Entrance up left leads to upstairs in the house. Down left leads to dining room and other rooms. Down right leads to main entrance and other rooms, including another set of stairs to the second floor. The room is decorated with old movie memorabilia, props from Masterfiend’s many horror films such as ghoulish masks, weapons, scientific equipment including test tubes and beakers on a small set table. ACT I
Scene 1

(AT RISE: The stage is dark except for a spot DSR. RONA LAMONA, covered with a sheet, lies on couch apparently unconscious. Only her right hand hanging beneath the sheet is visible to the audience. ED NEIL, looking like a mad scientist in his lab coat and holding a hypodermic, moves in on RONA. TINA DANE is tied to a chair and gagged, upstage from Rona.)

ED: And now, my dear, the moment I have been waiting for all my life! (TINA bounces up and down in her chair trying to get someone’s attention.) Oh, my dear, don’t worry ... you’ll get your turn ... next! (TINA, in horror, backs her chair away.) Just think of it, my beauty ... you will be the first woman with two heads! Twice the conversation, twice the singing, and twice the kissing!

(TINA tries to scream as ED moves to inject RONA. ELLIOT ASKMAN enters right.)

ELLIOIT: Dr. Dangerfield, what are you doing?
ED: What do YOU want, Mr. Sanders?
ELLIOIT: I came looking for Wanda.
ED: Wanda who?
ELLIOIT: Wanda Loverly, my love!
ED: Why would Miss Loverly, your love, be in my laboratory?

(TINA tries to attract ELLIOT’S attention.)

ELLIOIT: She said you’d asked her down here to help out in a little experiment!
ED: Wouldn’t it be wonderful, Mr. Sanders, if you had two Miss Loverlys to love?
ELLIOIT: What are you talking about? Cloning?
ED: Come, come! It’s 1938. Cloning isn’t even in the dictionary yet. No...I mean something more dramatic and immediate!

ELLiot: Dr. Dangerfield, I think you’re nuts!

ED: Nuts? I suppose I am! I’m a cashew in the world of science just like Beethoven was a Brazil nut in the world of music and Van Gogh was a pecan in the world of art.

ELLiot: What IS your point?

ED: I am about to give your Miss Loverly two heads!

ELLiot: That’s horrible! That’s ghastly! You’re out of control!

ED: Regrettably I am IN control, Mr. Sanders.

ELLiot: What do you mean?

(ED claps his hands. SARAH JANE and SCARLETTE O’MARA enter right like zombies. They grab ELLiot.)

ELLiot: Hey! What is this? Who are these babes?

ED: Two of my less successful experiments!

(SARAH and SCARLETTE growl at ED.)

ED: Shut up or you’ll be back in your cages! Just hold him tight!

(TINA bounces around in her chair terrified.)

ELLiot: For the love of everything decent, Dr. Dangerfield, don’t do this!

ED: Who ever said I was decent? (ED grabs RONA’S upstage arm and raises the hypodermic high.) And now, my sweet, you’ll be the woman with two heads!

(TINA, ELLiot, SARAH, and SCARLETTE scream as JAKE HINTON enters right.)

JAKE: What’s going on here?! (ALL freeze and look at JAKE.) Drop that needle, buster, or I’ll bust your arm!
(JAKE grabs ED, who screams in pain.)

MASTERFIEND: Cut! Cut! Cut!

(LIGHTS come up full revealing MASTERFIEND and OTHER CAST MEMBERS, except Charlotte, situated around the room.)

ED: You're ruining the scene, you clod!
JAKE: What's going on here?!
(TINA bounces over to JAKE.) Tina?! Are you all right? What were these nuts doing to you?
MASTERFIEND: Lights! Lights!
MRS. CRABTREE: (In a European accent.) Up right coming, Mr. Masterfiend!

(MRS. CRABTREE snaps on the LIGHTS.)

LINDA: You'd better let Ed go, whoever you are, or his brittle old bones will snap like twigs.
JAKE: Give me the hypo!

(ED hands over hypo. JAKE lets him go.)

ED: We are just acting, you idiot! This is a scene from "My Girlfriend Had Two Heads"! I have a good notion to call the cops, young man!
MASTERFIEND: And spoil our fun? I've cut us off from the world this weekend just so you can't call the cops. I've raised the drawbridge over the moat, cut off the phone lines, and all your cell phones have been confiscated, right, Mrs. Crabtree?
MRS. CRABTREE: Yah .... gone, all them of.
NELDA: Really, Masterfiend, hasn't that woman learned to speak English yet?
MRS. CRABTREE: English speak I.
MORGANIA: Poor dear has a marvelous vocabulary, but she just can't seem to get the words in the right order.
JAKE: (Untying TINA.) I'm getting you out of here!
